**Estimate of Cost to Prepare
Congressionally Mandated Report**

Short Title of Report: CMR - Study of All-Cause Mortality, Including by
Suicide, of Veterans

Report Required By: P.L. 116-171 § 204(a)(1 – 2); (d); e(1)

In accordance with 38 U.S.C. § 116, the statement of cost for preparing this report and a brief explanation of the methodology used in preparing the cost statement are shown below.

Manpower Cost:	\$1,118.99
Contract(s) Cost:	\$0.00
Other Cost:	\$0.00
Total Estimated Cost to Prepare Report:	\$1,118.99

Manpower Costs were calculated by using the methodology noted:

The cost to prepare this report only consists of manpower costs. Cost estimates are based upon total labor hours at standard hourly labor rates. Cost estimates assume approximately 12 hours of GS-13 Step 7 at \$69.33 an hour (Washington, DC). A benefits burden rate of 1.3450 was included in the calculation as well.

Labor time estimates include time spent to capture and analyze the required reportable data; time spent to develop and complete the required report; and time spent to prepare and validate the final report.

Labor rates were obtained from the Office of Personnel Management website (<https://www.opm.gov/policy-data-oversight/pay-leave/pay-administration/fact->
